

Dear Customers,

Panasonic Industry Co., Ltd.

Letter for the Certificate of Compliance to EU RoHS Directive [2011/65/EU as amended by (EU) 2015/863]

Confirmed date: August 1, 2025

Industrial Solutions Company, Panasonic Corporation ("we") hereby reports that ten restricted substances designated in ANNEX II of EU RoHS Directive (Pb, Cd, Cr⁶⁺, Hg, PBB, PBDE, DEHP, BBP, DBP, DIBP) are not intentionally contained in our Applicable Products listed as below which are to be supplied to your company on and after the confirmed date above ("Applicable Products"), except for the cases of the exempted application and/or less than maximum concentration values of EU RoHS Directive.

Product Name : Chip Varistor
Series Name : For ESD pulse [Low voltage type (Standard type)]

(*1) Exemption Ref. Number : There are some part numbers with exemption(7(c)-I). For details, please contact us.

(*2) In this letter, EU RoHS Directive means the EU RoHS Directive applicable as of the confirmed date above.

(*3) In the event that your company suffers actual damages caused by that the volume of Restricted Substances contained in Applicable Products exceeding, as of our delivery of such Applicable Products to your company, the threshold set forth in EU RoHS Directive then effective and the cause thereof is solely attributable to us, we will be responsible for the actual, reasonable and direct damages only to the extent provided in the written agreement(s) of sales and purchase with your company, or, if such written agreement(s) do not exist, only to the extent required by applicable environmental laws and regulations. In no event will we be liable for any indirect, consequential, incidental, special and/or punitive damages.
