August 22, 2012

Notice of Specification Changes accompanied by the change of Production Location of “Optional Mounting Frames” for the Shin-G Series Compact AC Geared Motors

As we have already informed you by “Motor News” issued on “20th November, 2009” production location was changed for Compact AC Geared Motors. This time, due to production location change of “Mounting Frame”, we will accordingly change Nameplates and Packaging Specifications.

- Target models: All models of optional mounting frames for Shin-G Series
Model No.: M9B3, M9B2, M8B3, M8B2, M7B2, M6B2

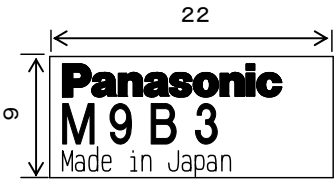

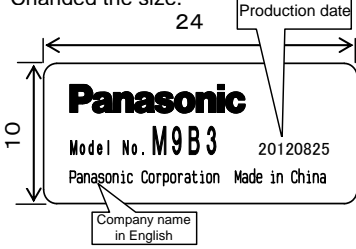

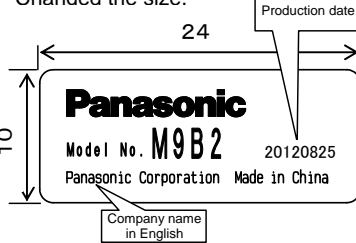

Mounting frame example

- Reason of the change:
 - 1) Change of production location
 - 2) Standardization of packages
- Details of the change:
 - 1) Nameplates (See page 2/4 for details)
 - Product nameplates: The company name in English and production date will be added, also indication of the country of origin will be changed.
 - 2) Packages (See pages 2/4 to 4/4 for details)
 - Markings: The handling instruction markings, label indication in Chinese, product name in Chinese, manufacturer's name, manufacturer's address, and country of origin will be added or changed.
 - Size: The sizes of the unit inner package and multi-pack container will be changed.
 - Quantity contained: The quantity contained in the multi-pack container will be changed due to standardization of packages.

* Please see page 2/4 to 4/4 for details.
- Schedule:
 - These changes will apply to products manufactured from August 2012 onwards.
- Others:
 - These changes will not affect product quality.
 - The materials used in the new product nameplates and packages are also environmentally friendly.
