**Notice of Change in the Shape of Outer-Base Type Mounting Frames, an Option for the Shin-G Series Compact AC Geared Motors**

We would like to inform you of the change in the shape of the outer-base type mounting frames M9B2, an option for the Shin-G Series Motors with a 90mm-square flange.  
We appreciate your understanding.

- Target Model: The outer-base type mounting frames M9B2, an option for the Shin-G Series Motors with a 90mm-square flange
- Reason of the change: Productivity improvement associated with local procurement in China
- Details of the change:

Current part (made in Japan)		Changed part (made in China)
	→	
Shape of rib base: Round	→	Shape of rib base: Linear
	→	
Shape of rib sidewall: Round	→	Shape of rib sidewall: Linear

- Schedule: Products manufactured from August 2013
- Others: Environmentally hazardous substances were taken into consideration when choosing this product as it was done with the conventional product.
