[Important]

**Notice of the price revision of optional products for Compact AC
Geared Motors, Brushless Motors and AC Servo Motors**

With several years having passed since some of the optional products were introduced to the market, the prices of components used in the products have been rising. Although the suppliers have been doing their utmost to maintain the current prices, they can no longer supply their products at these prices.

Taking these situations into account, we regret to inform you that the offered retail prices of the optional products for compact geared motors, brushless motors and AC servo motors will be revised as below.

We appreciate your understanding.

- Schedule for Price Revision: From shipments starting on March 1, 2014
- Target Products and Prices: Please refer to page 2/2 for the target products.
Please contact our sales representatives for information about new prices.

■ Target Models

Compact AC Geared Motor Option	
Model number	Title
DV0P001	Tachometer
DV0P002	External speed setter
DV0P0321	Unit type motor extension cord: 1m
DV0P0322	Unit type motor extension cord: 2m
DV0P0323	Unit type motor extension cord: 3m
DV0P0324	Unit type motor extension cord: 4m
DV0P0325	Unit type motor extension cord: 5m
DV0P13902	Extension cord for external μ inverter control: 2m
DV0P13903	Extension cord for external μ inverter control: 3m
DV0P13905	Extension cord for external μ inverter control: 5m

Brushless Motor Option	
Model number	Title
DV0P35710	Control signal extension cable for setting device A dedicated to the B1S series: 1m
DV0P35730	Control signal extension cable for setting device A dedicated to the B1S series: 3m
DV0P35750	Control signal extension cable for setting device A dedicated to the B1S series: 5m
DV0P3610	Connector Kit (To be fitted to the 10P external input side)

AC Servo Motor Option	
Model number	Title
DV0P2990	Battery for Absolute Encoder
MFMCA0100AEB	Motor Cable: 10m
MFMCA0200AEB	Motor Cable: 20m
